**Light a Candle for Peace  
on the Darkest Night of the Year**

**Sunday, December 18, 2011**

**5:30–6:30 p.m.**

**Corner of Snelling and Summit, St. Paul**

Bring a candle and join neighbors from throughout the Twin Cities to quietly witness for peaceful solutions to world problems.

After the vigil, warm up and socialize at a local Grand Avenue restaurant or coffee shop.

If you can't attend the vigil, light a candle in your window for peace and be with us in spirit.

*Note: This event will not be held if the temperature is below 10°F.*
