

As the Iraq War begins its sixth year, take time to honor those who have died, and to contemplate the human cost of war.

# Eyes Wide Open Minnesota

**Wednesday, March 19, 2008**

**Noon–4:00 p.m.**

**Minnesota State Capitol Rotunda**

Come anytime during the afternoon; stay as long as you are able.

The Eyes Wide Open Minnesota exhibit presents a memorial to those who have fallen and a witness to our belief that no war can justify its human cost. It includes a pair of boots for each Minnesota soldier killed in Iraq, shoes representing Iraqi civilian casualties, and a visual display showing the human costs of war to our communities.

**Noon** – Opening ceremony featuring former Senator Becky Lourey

**12:30** – Reading of the names of the 4,000+ American and coalition casualties, as well as representative Iraqi civilian casualties

**4:00** – Short closing ceremony
